

TOGETHER BAY AREA

TOGETHER Bay Area – a large and diverse coalition focused on climate resilience and social equity – will convene a virtual Fall Forum on October 1-2, 2020. We expect 1,000 live attendees and thousands of views on YouTube in the months and years following the live event. As a sponsor, your company or organization will get significant exposure to a large and diverse community working for healthy and resilient lands, people, and communities.

Join us as a sponsor today. On September 8, we will open ticket sales via email and social media. These are two opportunities for sponsors to be highlighted.

	Acknowledgement from the podium at the Fall Forum	Logo in Forum emails, website, and conference materials	Complimentary tickets to the Fall Forum*	Dedicated 'Thank you' social media posts on Twitter and Instagram	Branded networking room available to all conference attendees	Branded Thursday Opening Session or Friday Closing Session
