

# TOGETHER BAY AREA Sponsorships 2021

TOGETHER Bay Area – a large and diverse coalition of agencies, nonprofits, and Tribes – will convene our Spring Summit on May 10-14, 2021 and our Fall Forum on October 7-8, 2021. We expect hundreds of live attendees and thousands of views on YouTube in the months and years following the live events. Sponsors will get significant exposure to thousands of people - including leaders and decision-makers - working for climate resilience and equity.

Join us as a sponsor today! The sooner you sign up, the more value you get for your marketing dollars. Join by March 31 to be included in the pre-recorded Spring Summit sessions, and by April 30 to be included in the Spring Summit program.
